Nursery Closing Dates

Good Friday

Friday 30th March

Easter Monday

Monday 2nd April

School Release Date

Monday 16th April

February is now over, but what a welcome in to March it has been!

We hope it has now been the last of the snow and we can finally start celebrating some sunshine and light mornings and evenings.

Children's Achievements

Willows- Joe can now crawl forward with confidence. Lexi is growing in confidence and can stand unaided for 5 seconds and can get to her feet without the support of furniture. Aurora is doing well in our Willow Room and will now seek comfort from staff.

Maples- Max has now started to feed himself at mealtimes, Raphy has settled really well in to Maple Room and is enjoying his new surroundings. Ryan is doing great with his eating and Jack has begun to take steps unaided at home and at nursery.

Elms- Thea can count to 5, Ethan has learnt his Key Person's name and is beginning to name all his peer's names. Olivia and Thomas's communication is developing by the day.

Oaks- Oscar is doing brilliantly with writing his name, Betty is continuing her Potty-Training journey and doing well, Zachary and Alycia have done fantastically settling in to their new room.

Well done all!

Congratulations

We would like to congratulate Lorna and her partner Jay on the birth of Bella Raye Browne who was born on Sunday 18th February.

Welcome to the world Lynton Lady number 4!

Staff Member of the Month

Charlotte Gant

We would like to congratulate Charlotte Gant who is in our Willow Room on being our Staff Member of the month. Charlotte will always arrive with a smile and is such a hard worker!

Staff Updates

We would like to congratulate both Emma Kerbey and Shannon Sullivan on their recent promotions to the deputy position in both Elms and Oaks. They are both very excited to take on their senior positions within their rooms and we know they will be fantastic.

Well done Emma and Shannon!

We would also like to congratulate Annalise Cabrera who has recently completed her level 2 qualification. Annalise is now looking on to completing her Level 3 in Childcare and Education. Also, huge congratulations to Loretta who has now completed her Level 3 in Management. They have both worked so hard to reach their goals and as well as working a full week have completed their qualifications in their own time and deserve a huge well done!

House Keeping

Extra Days

Please be aware that the nursery is running full to capacity within all rooms for the foreseeable future. If you are aware of any extra days of which you may require, please do let us know in advance and we will be able to let you know if we will have anything available.

Holiday Dates

Please can all parents let reception know of any dates of children's holidays, this will help us to calculate whether we have any extra days available and to see our expected registration on given days.

Thank you in advance

Front/Back Door

Please can we ask parents with older siblings for their children to please not stand on the ridge at the front entrance to press the doorbell. This is due to health and safety as the fall from the ridge could cause significant harm.

We hope that the new buttons we have recently fitted to the front and back doors will help with this and do stress to all that the buttons are in no way connected to the mechanisms of which open the door.

We also hope this eases the sibling's disagreements of who gets to press the button and the juggling of bags and lifting the children up!

Hello's and Goodbye's

We say Goodbye and Good Luck to Arlo and his family in our Maple Room.

We wish you all the luck on your new adventure!

We welcome this month to Ferne and Matilda to our Willow Room. We look forward to meeting you and starting your journey with us here at Lynton House.

We would also like to welcome to Lynton House, Lauren Parker who will be joining our team at the end of the month.

Learning at Home

Over the next few weeks we will be sending out a learning at home sheet. This will detail any development stages or 'next steps' of which we are focusing on with your child. We would love your feedback and participation with this project which will give us the opportunity to support your children within their developmental journey.
