School Leavers

And Breathe

School placements have finally been released! Thank you to all the parents who have already let us know what school their child will be transitioning to in September.

Over the next few weeks we will be starting to contact all the schools to arrange a transition meeting with the children's new teachers. This is so they can get to know your child personally and spend some time with them in an environment that they are comfortable in. Although we would love to say that all teachers would be able to come in, unfortunately this does depend on the teacher's availability.

If your child is going on to a pre-prep or school nursery in September, we ask that you please let us know at your earliest convenience. This is due to Private Schools/Nurseries closing earlier than state schools.

Please note as mentioned on previous newsletters and emails, we do ask that all children leaving for school/nursery/pre-prep have left the nursery by Friday 31st August. If you have not let us know your child's last day, please let us know as soon as you can.

Thank you in advance

We would also like to invite all parents and children who will be leaving us to go to school to our Pre-School Leavers Ceremony on **Thursday 5th July at 2:30pm**. Invitations will be sent out in due course.

Staff Updates

We would like to congratulate Charlotte who will be taking on the room leader role in our Willow room.

Charlotte has worked with Lisa the previous Willow Room leader and Georgie for quite a while and will of course continue to create the wonderful, loving and caring environment that we pride ourselves on in our Willow room.

Congratulations Charlotte!

Parents Evenings

We are writing to advise that as from this year we will no longer be carrying out Parents Evenings for our younger rooms; Willows, Maples and Elm's.

Going forwards we will only be hosting 2 parent's evening over the year for our pre-school children and families, (Oak Room) who we are preparing for the school procedures.

For each of the younger rooms we will focus on stay and play events. Individually each room will host an event allowing parents/carers to see and join in with their child's development. The staff will be on hand and available for discussion throughout the stay and play.

We will continue to communicate and ensure that as parents/carers you feel able to call the nursery at any time and make an appointment should you need to regarding any issues you wish to discuss with our teams.

As always, the communication lines remain open between our parents and staff, please continue to feel able to talk to us whenever you need to.

We have booked in our Pre-School Parents evening on Thursday 21st June at 6:40pm.

The time slots will now be 15 minutes apart and will go up a few weeks prior.

If you have any questions or queries, please do not hesitate to speak to reception.

We did it!!

Thank you to all our parents who donated and supported our Peppa Pig Muddy Puddle Walk. The children had lots of fun making their own and finding lots of big puddles to jump in and completing their walks!
